

Slovensko agronomsko društvo

Slovenian Society of Agronomy

invites to the XV. symposium

NEW CHALLENGES IN AGRONOMY

with international participation

which will take place **on 26th and 27th January 2023** in Laško, Slovenia

All information will be published regularly on the society website:

www.agronomsko-drustvo.si

Symposium New Challenges in Agronomy is a biannual symposium, which is aimed to all who by their research and professional work constructively influence the development of Slovenian agronomy and related activities. With the contributions and discussion that opens after each section, we want to have a constructive influence on the development of the Slovenian agronomic profession.

The previous Symposium was held on January 2021, when we had to organize it online because of the pandemic. You can see the e-versions of the proceedings **here**.

Important dates

We invite you to register the (working) title of your paper for the symposium to the e-mail address: **barbara.ceh@ihps.si**. The deadline is **15th September 2022**. Please, indicate whether you propose your contribution will be included among the oral presentations or posters and whether you will send later a summary or the entire paper.

The deadline for submitting papers and summaries is **1st november 2022** to: e-mail: **barbara.ceh@ihps.si**. Instructions for preparing the paper are published on the society's website: **<https://www.agronomsko-drustvo.si/>**

Registration

For participation at the symposium, please register by e-mail: denis.stajnko@um.si by **10th January 2023**. Registration is obligatory for those who will collaborate with contributions (oral presentations and posters) and participations without contributions.

The symposium registration fee of €170 includes participation in both days of the symposium, a collection of papers, two lunches and a gala dinner, which will take place on the first day of the symposium. The registration fee for participation only on the first day of the symposium is €150 and includes participation, proceedings, lunch, drinks/snacks during breaks and a gala dinner. The registration fee for participation only on the second day of the symposium is €130 and includes participation, proceedings, lunch and drinks/snacks during breaks.

The program of the symposium will be published in early January 2023 on the society's website.

Symposium is organized by the Slovenian Society of Agronomy in collaboration with:

- Biotechnical Faculty of the Ljubljana University, Ljubljana
- Faculty of Agriculture and Life Sciences, Maribor
- Agricultural Institute of Slovenia, Ljubljana
- Slovenian Institute of Hop Research and Brewing, Žalec
- Agricultural Chamber of Slovenia
