NEW CHALLENGES IN AGRONOMY SYMPOSIUM
with international participation

**Instructions for authors of oral presentations and posters
on preparing contributions for the BOOK OF ABSTRACTS**

Prepare the text using Word for Windows.
Use B5 (JIS) page size.
Use the font TIMES NEW ROMAN.

Set the page margins as follows:

Top: 25 mm

Bottom: 15 mm

Left: 20 mm

Right: 15 mm

The abstract must not exceed one B5 page in Slovenian and one page in English.

Write the title in sentence case, bold, left aligned, in 12-point font.

Leave one blank line in 11-point font below the title. Then list the first name and SURNAME¹ of the author and co-authors, separated by commas (11-point font, left aligned, not bold). Do not include academic or teaching titles here; add footnote markers only (References → Insert Footnote). Give the authors' titles and the names and addresses of their institutions or companies in footnotes on the first page (9-point font). Include the author's email address, as indicated at the bottom of this page.

Leave one blank line in 11-point font after the author names, followed by the abstract.

Abstract (heading in bold, 11-point font)

Use 11-point font and justified alignment. The abstract should be informative.

Keywords: Place these immediately after the abstract, without a blank line, in 11-point font. Separate keywords with commas.

The labels **Abstract** and **Keywords** must be bold.

Use the same fonts for the English translation as for the Slovenian version.

Email your abstract to barbara.ceh@ihps.si by 15 November in the year preceding the symposium.

Please follow the instructions above.

Each abstract will be assessed by at least two reviewers appointed by the Editorial Board. The reviewed abstract will be returned to you by email. Please revise it in accordance with the reviewers' comments and return it as soon as possible to the technical editor at barbara.ceh@ihps.si.
